

TEC SUMMER SCHOOL

Spend a Summer in Sunny Mexico!

Tec de Monterrey invites you to live a great international experience this summer by studying in **English or Spanish** any of our different academic programs while enjoying the warm weather in Mexico.

Academic Programs

iSummerMX Programs - Discover Mexico!

If you love traveling and learning about new cultures, these itinerant programs taught in English are a great option for you.

5 Programs to Choose From

- Global Business
- Mexican Cultural, Heritage, and Social Challenges
- Regional Economics
- Migration Up-Close
- Latin Music ABC

Visit different cities in 5 weeks

Each program offers special activities, conferences, and trips; while visiting several Tec de Monterrey campuses in different cities, to make an unforgettable experience.
